

SUMMIT MEDICAL GROUP

Short Hills, NJ

PROJECT TYPE:

Healthcare - Fit Out

ARCHITECT:

Dominick Macaluso-Architect, LLC

Hollister was retained by The Blau & Berg Company, a full-service commercial real estate brokerage firm, to perform an interior office fit-out at Short Hills Executive Center for new tenant, Summit Medical Group.

As one of the largest and oldest physician-owned multispecialty medical practices in New Jersey, Summit Medical Group recently debuted their new medical center in the third floor of the 3-story building. Summit Medical Group's new medical space features various amenities to accommodate patients and staff.

Amenities Include

- Reception area
- Waiting room
- Administrative area
- Examination rooms
- Private offices
- X-ray room
- Break room
- Therapy room
